

## About Chesapeake Caregivers

Since 1997, Chesapeake Caregivers has provided assistance to individuals in their community that want to remain in their own home. John and Susan Degen found a need to add Home Care to their Assisted Living services on the Eastern Shore. Chesapeake Caregivers now has a broad range of experience in many aspects of health care and a passion for assisting the elderly. Our client-centered approach is what sets Chesapeake Caregivers apart in the industry.

We love being able to assist individuals in our community. We do this by promoting a safe, independent environment at home to enrich their quality of life.

## Need a little extra help around the house? We can assist with the following daily tasks:
